Due to its robust and durable design, our bucket sinks are an ideal partner for various cleaning jobs.

Use our shelf!

A modern window frame with black vertical bars is visible in the background, set against a bright, overexposed outdoor scene. The window is part of a minimalist interior with white walls and a light-colored floor.

We offer additional
cold water taps,
suitable for any interior

A detail of a window frame with black vertical bars, showing the structure and the view outside.
